# THANKS TO THE KM...

I was able to...

The campaigning power of local press is being highlighted this week to mark Local Newspaper Week.

Themed Making a Difference, KM Group publications have been noted for some of the many ways we have helped people...

...get a new home after being abandoned and languishing in RSPCA kennels

...see my image published as Picture of the Week

...feed the homeless following the You Can Help charity appeal to collect food

...be crowned school champions out of all primaries in Maidstone for encouraging staff and pupils to walk, not drive

...be named Maidstone's Cute Kids winner

...sell all of my charity's tickets for a fundraising trip on the Orient Express

...be reunited with my lost chicken after seeing an appeal in print

...recruit 50 new volunteers to the Kent Search and Rescue charity

...have the Christmas meal I never had after my home in Yalding was flooded

...attend a plaque unveiling in memory of our relative who died in the Second World War, aged 19

...be reunited with a valuable sword I sold to fund a gambling addiction
